SNAPSHOT REPORT

FEAR OF CRITICISM 28

0102030405060708090100

Fear of Criticism is not a concern for you in a group situation. You are able to throw yourself into group work without concern about your ideas and work being rejected, and when you are given negative feedback, you are likely able to take it simply as a part of the group process.

WANT TO LEARN MORE?

Would you like to learn more about your preferred work orientation? There are many factors that play a role in this preference. The complete results for this test provide you with scores on 15 different potential concerns about teamwork. The results will offer further insight behind your teamwork preference. For example, you scored 50 on the Worry about Unclear Roles subscale. Find out what this means and how you did on the other subscales right away by ordering your full test report.
