SNAPSHOT REPORT

ABILITY TO SPEAK FOR SELF 56

0 10 20 30 40 50 60 70 80 90 100

There are times when you'll hesitate to address the issues that concern you the most. Whether it's noisy neighbors or perhaps a raise you feel you deserve, you'll be reluctant to bring it to attention. Those times when you are feeling self-assured, you are somewhat comfortable letting others know you disagree with them, especially when you feel you're being treated poorly. Keep in mind however, that if you act like you deserve respect, others will treat you accordingly.

WANT TO LEARN MORE?

Would you like to learn more about your level of assertiveness? There is more to assertiveness than whether you are able to display or not - *how* you assert yourself and in which situations are also very important. For example, you scored 60 on the Subservience scale. Find out what this means and how you did in the other sections right away, simply by ordering your full test report.
